

MATERIAL SAFETY DATA SHEET

Based on Regulation (EC) No. 1907/2006

Date of issue: 25.02.2026

www.team-direkt.de

SECTION 1 • PRODUCT / COMPANY IDENTIFICATION

Product information	Product name: CarpetSaver FR Protective film. For professional use only.
Article number	900931
Name Website	Team Direkt System GmbH W www.team-direkt.de
Emergency contact	08:00 - 17:00 (CET) Please use the current contact options at www.team-direkt.de .

SECTION 2 • HAZARDS IDENTIFICATION

Specific hazards:	Not applicable.
--------------------------	-----------------

SECTION 3 • COMPOSITION / INFORMATION ON INGREDIENTS

Chemical characterisation	Polyolefin with acrylic water-based adhesive. These products are articles.
Hazardous ingredients:	Not applicable.

SECTION 4 • FIRST AID MEASURES

General:	Special First Aid measures other than those named below will not be necessary.
Inhalation:	If fumes and/or dust are released and adequate ventilation is not available, use an appropriate face mask. Seek medical attention if necessary.
Skin contact:	Material does not irritate the skin.
Eye contact:	Flush eyes with plenty of clean fresh water for several minutes, holding eyelids apart. Seek medical attention if symptoms continue to persist.
Ingestion:	Ingestion is unlikely. Seek medical attention if necessary.

SECTION 5 • FIRE FIGHTING MEASURES

Extinguishing media:	CO ₂ , water, foam, ABC powder. Extinguish appropriate to the surroundings.
Unsuitable extinguishing media:	No restrictions are known.
Specific hazards:	Risk of spread of a fire by burning drips. Melted drips can cause burns. Rinse thoroughly with water and seek medical attention.
Protective equipment for fire-fighters:	Put on positive pressure self-contained breathing apparatus.
Hazardous combustion products:	Carbon monoxide (CO), carbon dioxide (CO ₂) and other toxic gases may be released as a result of combustion.
Further information:	Fire residues may be observed for a long time. Dispose of residue and contaminated water in accordance with local, national and international laws and regulations. This product is not classified as dangerous in accordance with European Union Directives and/or Regulations. Technical and/or organisational measures, e.g. ventilation and filter masks, must be taken if fumes and/or smoke are released. Seek medical attention if necessary.

MATERIAL SAFETY DATA SHEET

Based on Regulation (EC) No. 1907/2006

Date of issue: 25.02.2026

SECTION 6 • ACCIDENTAL RELEASE MEASURES

Personal precautions:	None necessary.
Environmental precautions:	None necessary.
Spill / methods for cleaning:	Shovel / sweep up and dispose of in accordance with local, national and international laws and regulations.

SECTION 7 • HANDLING AND STORAGE

Handling - general precautions:	If fibre particles are released, avoid inhalation.
Prevention of fire and explosion:	Keep away from heat, hot surfaces, sparks, open flames and other ignition sources.
Storage - specific storage and container requirements:	None.
Incompatibility:	Strong oxidising agents / strong acids (pH < 3) / strong bases (pH > 11) can decompose the fibres.
Further storage information:	Store in a dry place. Store in a well ventilated place. Keep cool. Protect from sunlight. Do not expose to temperatures exceeding 40 °C / 122 °F.

SECTION 8 • EXPOSURE CONTROLS / PERSONAL PROTECTION

Engineering measures:	No special measures necessary, see section 7.
Exposure limits:	Non-classified particulates / dust: Inhalable fraction: not determined Respirable fraction: not determined
Additional information:	These values are based on TRGS 900.
Exposure guidelines:	See exposure limits.
General protection and hygiene:	Do not eat, drink, smoke or use snuff tobacco while working. Wash hands thoroughly before breaks and after work. Do not inhale dust or fumes.
Respiratory protection:	If fumes or dust are released and adequate ventilation is not available, use an appropriate face mask.
Protective gloves:	Chemical resistant gloves are not necessary.
Protective clothing:	No special protective clothing is necessary.
Eye protection:	Safety goggles are not necessary.

SECTION 9 • PHYSICAL AND CHEMICAL PROPERTIES

Physical state:	Solid.
Colour:	Transparent.
Odour:	Typical.
Melting point/range:	Not determined.
Boiling point/range:	Not applicable.
Flash point:	Not applicable.
Autoignition temperature:	Not determined.
Decomposition temperature:	Not determined.
Explosion hazard:	Product is not explosive.
Density at 20 °C:	Not determined.
Solubility in water:	Insoluble.

MATERIAL SAFETY DATA SHEET

SECTION 10 • STABILITY AND REACTIVITY

Thermal decomposition:	Stable at normal temperatures and pressures.
Conditions to avoid:	None.
Materials to avoid:	Strong oxidising agents / strong acids (pH < 3) / strong bases (pH > 11) can decompose the fibres.
Hazardous reactions:	No hazardous reactions are known.
Hazardous decomposition products:	Carbon monoxide (CO), carbon dioxide (CO ₂) and other toxic gases may be released as a result of combustion.

SECTION 11 • TOXICOLOGICAL INFORMATION

Acute toxicity - LD50/LC50:	Not applicable.
Primary irritation - skin:	No irritant effect.
Primary irritation - eyes:	No irritant effect.
Sensitization:	No sensitizing effect is known.
Additional toxicological information:	According to our experience and the information available, this product causes no harm or injury if used and handled correctly. The industrial use of this product has shown no negative physiological effects on personnel.

SECTION 12 • ECOLOGICAL INFORMATION

Ecotoxicity - aquatic toxicity:	Not applicable.
General notes:	Not applicable.

SECTION 13 • DISPOSAL CONSIDERATIONS

Product - recommendation:	Dispose of in accordance with local, national and international laws and regulations.
Product - European Waste Catalogue:	It is the responsibility of the user to determine the correct waste code.
Packaging - recommendation:	Dispose of in accordance with local, national and international laws and regulations.
Packaging - European Waste Catalogue:	It is the responsibility of the user to determine the correct waste code.

SECTION 14 • TRANSPORT INFORMATION

ADR/RID:	-
GGVSE:	-
IMDG:	-
GGVSee:	-
ICAO-TI:	-
IATA-DGR:	-
Transport/additional information:	Product is not classified as a hazardous good according to the above regulations.
